

Radiant Group enters into Reseller Agreement with Strongpoint Technology AB

- *Group to sell and distribute Strongpoint's products and solutions within Malaysia and Singapore*
- *Exclusive rights valid for 24 months from signing of agreement*

Selangor, Malaysia, 15 March 2019 - Retail technology solutions provider **Radiant Globaltech Berhad**, (Radiant Group, the Group, 锐腾有限公司, Bloomberg: 0202:MK, Reuters: RADI.KL) announced that it has entered into a Reseller Agreement with Strongpoint Technology AB (Strongpoint).

Under the terms of the agreement, the Group will have the exclusive rights to sell, distribute and provide support services for Strongpoint's products and services within Malaysia and Singapore for 24 months from 15 March 2019.

Strongpoint is involved in selling, distributing and providing retail technology products and services to the retail industry. Strongpoint's products and services range from cash management solutions, storage stations, vending machines, self-checkout machines and an E-commerce logistics suite.

“The latest agreement is a vote of confidence in our ability to market and sell retail technology solutions in the South East Asia region, having established a strong market presence and effective distribution channels across the region.

Furthermore, we are able to capitalise on Strongpoint's core expertise of hardware products for the retail industry and cross-sell our in-house retail technology solution portals. This would enable us to gain a bigger market share in the region going forward.”

***Paul Yap Ban Foo (“叶汶富”),
Managing Director of Radiant Globaltech Berhad***

About Radiant Globaltech Berhad (锐腾有限公司, www.rgtech.com.my)

Founded in 1994, Radiant Group is primarily involved in the provision of retail technology solutions, which consists of providing hardware and software for retail industry, as well as maintenance and technical support services for retail hardware and software. The Group has operational presence in Malaysia, Vietnam and Cambodia.

Radiant Globaltech obtained MSC-Malaysia status in December 2014, enabling access to financial and non-financial incentives for five years. Pursuant to the MSC-Malaysia status, Radiant Group was granted a Pioneer status, which entitles the Group to a 5-year tax exemption until 2019.

Radiant Group's retail technology solutions are used in the retail sector to automate customers' operations, in order to increase efficiency and reduce costs. Furthermore, the Group's retail technology solutions are used for capturing and processing payments (i.e. POS), inventory management, analytics and reporting, as well as sales and marketing (i.e. customer loyalty management).
